## Safety Town Reaches First Red Light in 45 Years

We are writing to share some important news about our 2020 Safety Town program: Due to ongoing health and safety concerns related to the COVID-19 pandemic, Safety Town of Santa Barbara County is cancelling all of its 2020 summer sessions.

We recognize how much families look forward to the Safety Town experience, one that is uniquely designed to teach basic safety skills to kindergarten-age children in a “small town” environment. Safety Town has been a popular and well-attended summer program in the local community for the last 45 years! Our Safety Town buildings, trikes and equipment are safely in storage and we hope to operate a full summer program in 2021.

The Safety Town board members will continue to write grants and seek other funding opportunities to support our mission. If you wish to make a charitable gift to help our efforts, you may do so online at <https://www.sbsafetytown.org/support-safety-town.php> or by mailing a check payable Safety Town of Santa Barbara County, PO Box 416, Santa Barbara, CA 93102.
