Safety Town of Santa Barbara County is dedicated to delivering a high-quality and comprehensive safety education program for pre- and post-kindergarten children. Our mission is to teach vital skills that will benefit them throughout their lives.

This summer, over 450 young children from Carpinteria, Santa Barbara and Goleta will learn about pedestrian safety, earthquake preparedness, fire safety, bicycle awareness, understanding 9-1-1, beach and pool safety, stranger awareness, and playground, home, and personal safety.

Each young child will use these bags to carry home important safety handouts for their families, as well as their projects and artwork.

We are seeking contributions from businesses so that we can order reusable bags. As a gesture of our appreciation, the bright yellow reusable bags will feature the logos of our business sponsors.

Sponsors will also be recognized for their support at:

www.sbsafetytown.org.

We invite you to consider supporting Safety Town with your generous contribution. To do so, please complete the attached form.

Your support plays a vital role in creating a safer community for our children. Thank you for your consideration.

Safety Town of Santa Barbara County is a 501(c)(3) nonprofit organization registered in the State of California. Tax ID # 77-0050093
