

**2022 SAFETY TOWN  
for 2020 Cancelled Registrants  
at Foothill School  
711 Ribera Dr., Santa Barbara**

**\*Due to the COVID-19 cancellation of our 2020 sessions, we're offering two make-up sessions designed for the incoming second graders who were registered and missed attending the program. The program will contain the same curriculum, but will be modified to address and emphasize more age-appropriate activities and topics.**

Safety Town is a one week, 3 ½ hr. day, safety education summer program. Safety awareness is introduced to pre/post kindergarten children in an age appropriate, fun, and secure environment. Through movies, songs, guest visits, group lessons, crafts, and pedestrian/driver role play, the program teaches children to evaluate "safe" from "unsafe" situations. Topics include:

- |                                  |                                      |
|----------------------------------|--------------------------------------|
| Earthquake Safety                | Fire Safety/ 9-1-1                   |
| Water Safety                     | Bicycle and Vehicle Passenger Safety |
| Personal Safety/ Stranger Danger | Pedestrian Safety                    |
| Playground Safety                | Internet Safety/Bullying             |

The miniature 'town' enables the students to practice and reinforce basic safety habits under the guidance of trained instructors and youth volunteers. This small community is complete with child size buildings, street signs, crosswalks, sidewalks, traffic light, and scooters. Children are divided into building groups and colors for smaller group instruction, (1:2).

**Session dates and times:**

- Session S1 – June 13-17: 8:30-12:00**  
**Session S2 – June 20-24: 8:30-12:00**

**\* Please note, Safety Town reserves the right to cancel sessions due to enrollment numbers. You will be notified one month prior if this occurs.**
